

### 3 August 2009

**Present:** Steve Cochran, David Clift, Greg Stonebraker, Eric Hasler, Phil Brindley, Joe Katuin

#### **Topics:**

1. **Coaches/Managers Meeting for travel** – Greg discussed that this Sunday, 1pm for boy's teams and 3pm for the girls. Greg suggested that we can ride together.
2. **Referee Assignor** - Greg discussed checking with the Referee Assignor when we need to reschedule home games. Our Referee Assignor is

Brian Kwiatkowski  
P (317)292-6552  
F (303)737-3030  
E-mail: Brian.Kwiatkowski@gwrs.com

Greg talked about checking with a traveling teams coach a few hours before a game to confirm with them the status of our fields. A field closure for the rec teams does not mean that the travel teams have to cancel. Only the home team coach will call a game.

3. **Uniforms** – Dave said that he need shirt sizes as soon as possible with numbers. Joe's team is using old jerseys. Joe said that Derrick had indicated that there were blank jerseys available. Dave said it depended on the size. Eric's jerseys may be more expensive since they are a different style.
4. **Players/ Scheduling** - Greg discussed checking with players regarding dates that they will not be able to play. May impact game if a team does not have enough players. Greg/ Dave indicated that with regards to tournaments and the 4 team blackout dates it is still possible that your team may get scheduled in conflict with team blackout dates. It is also possible that if you are registered with a tournament and have paid the registration fees and have received acknowledgment that the tournament holders may still not have you confirmed.
5. **Equipment** - Greg said that we have some new corner flags, but that they will need to be put up after games since they will not weather well if left out.

Dave is going to order more pennies. Dave asked that coaches measure the goal nets and provide that information to him along with the brand of the goal. It was noted that there are bags of nets in the new shed but those nets are for the rec teams.

There was some discussion regarding the U10 goals. It was noted that the school has U10 one set of U10 goals and we have U10 travel goals, do we need to purchase another set for ourselves?

Joe needs keys to the sheds.
